## RENTAL DETAILS

### PICK-UP AND RETURN POLICY:

Free Pick Up and Drop Off Day. Equipment pick-up can be made anytime the day prior to rental. Equipment drop-off should be before closing of the drop-off day to avoid late fees. Late rentals will be charged at the one-day rate per day.

### CLEANING, DAMAGE AND REPLACEMENT CHARGES:

Cleaning charge for soiled, muddy, and unrentable equipment is from \$20-\$50 per item. Damage repair will be assessed at shop rates (\$35.00/hr.). Lost, stolen, not returned, or unrepairable gear will be charged at FULL RETAIL PRICE.

### DEPOSITS:

Credit Card Deposits are required with all rentals.

### RESERVATIONS AND CANCELLATION:

We require advance payment in full to book a reservation. Phone reservations accepted with Visa or MC payment. Since different types and brands of footwear fit differently, we cannot reserve boots of any type without you trying them on first. After you have rented a boot from us, keep your rental agreement and then you will know what size fits you. No rental refunds unless you cancel 24 hours before your pick-up date. We will not be responsible for acts of nature, weather changes, or changes in your plans; please plan accordingly.

### SPECIAL RENTAL ARRANGEMENTS:

Extended rentals & other special arrangements are available. See manager.
